## £5000 Raised For a New Heart Scanner

January 21st, 2011 by Sue Galloway

Comment?

I was pleased to be able to hand over a cheque to the Heart of York Appeal at York Foundation and Teaching Hospital today. The £5000 had been given by the Mitre Lodge of York and the Freemasons of Yorkshire North and East Ridings to the fund which will buy another scanner which will enable the waiting list to be reduced dramatically. This is a very generous donation and I would like to thank the Freemasons for their help in ensuring that this appeal should reach its target by the end of next month.

In the afternoon I paid a brief unofficial visit to Auden House, the new development providing independent living for the over 55's at St Ann's Court, Cemetery Road. There is only one word for this development - fabulous - and I cannot wait for the official opening in March!

The evening saw me attending a dinner at Kings Manor in honour of the new Graduates of the University of York, whilst the Sheriff attended a lunch at the University.
